This hereby authorize (s) the company Zanuco Treuhand AG with the following matters:

Tax return 2018 / further services

The mandate extends to the completion of the tax return formalities representations to the authorities, receipt and inspection of assessments and on the representation for inquiries under the tax-assessment procedure. Any documents required for completion of the tax return by banks, insurance companies, etc. may be obtained with this mandate directly at the respective institutions.

Zanuco Treuhand is also specifically authorized to accept assessments to raise objections, appeals and complaints and, where appropriate to consider the appeal back.

This authorization is fully valid until a written retreat.
